Without Easter, by Joanna Fuchs

Without Easter,
there would be no hope of heaven.
Without the hope of heaven,
there would be no repentance,
no personal transformation,
no attempt to follow Biblical principles.

Without Easter,
the world would be in chaos
and darkness.
Jesus' death and resurrection
means we can be reborn,
to live better, to do better,
to shine light into the shadows.
Hallelujah! Happy, Happy Easter!

MARCH 14—HAPPY BELATED BIRTHDAY TO MARIE IN COTTAGE #XXX. SO SORRY THAT WE MISSED YOU IN MARCH!

HAPPY ANNIVERSARY

NO ANNIVERSARIES THIS MONTH

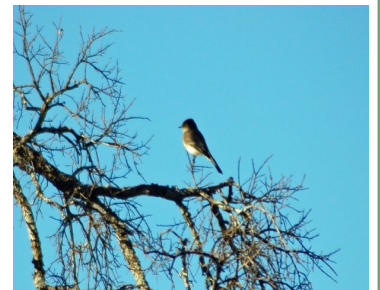

Cheerful and restless little birds, Eastern Phoebes, are in no danger of being overlooked by spring birders. Returning in early April, these brown and white tiny birds, plump their tails up and down as only Phoebes can do. The males perch among the leafless trees and announce themselves to everyone within earshot by endlessly repeating their name: “fee-bee, fee-bee, fee-bee!”

Their nest is a tiny cup shaped of moss and mud pellets attached to a support on a sheltered ledge near water. Females lay 3-8 tiny white eggs. Incubation is 14-16 days. The young leave the nest 15-17 days after hatching. Their food is insects and spiders, captured in flight.

When I lived in Cottage #6, two Phoebe birds built a nest on a ledge fastened on the wall of the nursing home and I was so lucky to watch them as the female laid eggs. Both parents fed the babies until they flew from the nest. I never told anyone here about the Phoebe birds.

At first I thought about writing about St. Patrick’s Day, Palm Sunday, Good Friday, or Easter Sunday, but it was just too much material. So, I decided to write about the Eastern Phoebe, one of God’s little gifts to us!

~Happy Easter to you all!~ Alice

Trash Collection

GBV requests that you use trash bags for your trash, instead of cans. This will be more convenient for Maintenance.

Have you heard?

This was not mentioned at your last Town Hall but Administration has decided to cut back on expenses by purchasing 10 goats to roam our grounds. This will significantly save costs that we were spending on a grounds crew. Hopefully the goats will not leave too much debris on your sidewalks and driveways.
