“Enter his gates with thanksgiving, and his courts with praise! Give thanks to Him; bless His name!” Psalm 100:4

November is a month when we focus on thanks as well as elections, Veteran's Day, football and recovery from a sugar high following Halloween. In fact it seems that shopping for Christmas and all its great sales is overshadowing Thanksgiving here in America in the 21<sup>st</sup> century. Are we still a thankful people? I don't see in this Psalm any reference to keeping thankfulness to November and forgetting it the other eleven months. God intends for us to **always** be thankful people. Why is that?

I believe that happy, healthy, godly people are the most thankful people on Earth. But, you may say, we can't all be happy and healthy when we have problems and pains, trials and tests, sicknesses and sorrows along with loneliness and loss. When the money runs out before the month it is really hard to have a smile and express thanks. These problems are certainly real and a threat to thankful hearts. However, Scripture is filled with reminders that we can and must be thankful both in the good times and in the bad times. It is, in fact, the grateful heart that promotes better health and richer days. There is a right way to be thankful.

Incorrect thanks:

Luke 18:11 “God, I thank you that I am not like other men, extortioners, unjust, adulterers, or even like this tax collector.” This is selfish, arrogant thanks that falls flat.

Correct thanks:

Eph. 5:20 “Giving thanks always and for everything to God the Father in the name of our Lord Jesus Christ.” This is the kind of thanks that God can bless.

**Have a blessed Thanksgiving and a year-round grateful heart!**

"Did I offer peace today? Did I bring a smile to someone's face? Did I say words of healing? Did I let go of my anger and resentment? Did I forgive? Did I love? These are the real questions. I must trust that the little bit of love that I sow now will bear many fruits, here in this world and the life to come." Henri Nouwen
